**PER CURIAM:** Affirmed pursuant to Rule 220(b), SCACR, and the following

2007) ("In criminal cases, this [c]ourt reviews errors of law only."); *State v. Coward*, 669 F.2d 180, 184 (4th Cir. 1982) (finding no error in the trial court's decision to send an unredacted copy of the indictment to the jury during deliberations, even though the court omitted references to a co-defendant when reading the indictment to the jury at the beginning of trial, because the trial court informed the jury of the omissions and instructed the jury that the indictment did not constitute evidence, thereby "effectively offset[ting] any hypothetical prejudice resulting from the jury's receipt of the unedited indictment").
