 CIVIL JUDGMENT
 (UNPAID FINE)

This matter came before me pursuant to a motion to require the defendant to show cause why the defendant's default in payment of a fine imposed on _____ (date), to include assessments and surcharges, should not be treated as a civil judgment and a judgment lien attached. After hearing the evidence, I find that judgment should be entered for the unpaid balance of the fines, to include assessments and surcharges, due to the payee as provided below.

THEREFORE, IT IS ORDERED that the payee shall have judgment against the defendant in the sum stated below. IT IS FURTHER ORDERED that this judgment be transmitted to the Court of Common Pleas to be entered as a civil judgment in the records of that court. All of which is ordered pursuant to S.C. Code Ann. §17-25-323(C).
