Consents (charge not dismissed): The charge covered by this order was not dismissed or *nolle prossed* because of successful completion of the Pre-Trial Intervention Program, Traffic Education Program, Alcohol Education Program, or any other statutorily authorized diversion program operated by a solicitor's office. The charge covered by this order can legally be expunged.

Consents (charge considered dismissed/*nolle prossed*): The records and/or case management system of the office of the Circuit Solicitor do not reflect that the charge covered by this order is currently pending. The Circuit Solicitor and/or staff has searched, but found no court record, SLED record, prosecutorial agency record, and/or law enforcement agency record that shows a disposition for the charge. The Circuit Solicitor interprets the absence of any such records as evidence of a dismissal or *nolle prosequi* unrelated to successful completion of the Pre-Trial Intervention Program, Traffic Education Program, Alcohol Education Program, or any other statutorily authorized diversion program operated by a solicitor's office. The date entered below by the Circuit Solicitor will be treated as the dismissal and/or discharge date for the charge for expungement purposes.
